## CHORUS:

          A                          G

My hope when I was lost, my love that knows no cost  
          D                          A                          A-G  
My saving grace when everything around me seems to fold  
          A          G          D          A  
You are my home, my home, my home, my home

You gave it all away for me, oh how you love me, oh how you love me

## CHORUS
